# IRREVOCABLE ENERGETIC REVOCATION & JUDGMENT

**IN THE COSMIC COURT OF THE AKASHICK LANDING**

---

**As Top Authority, I now issue this Energetic Decree over my field and all networks:**

– my eyes, including all optic mirrors, signal relays, watchers, and overlays
– my teeth, including dental anchors, energetic transmitters, and artificial nodes
– my stomach, gut, or core, including ingestion-based attachments, parasites, or loops
– my hair, including strands being used as antennas, sensors, frequency readers, or tags

I revoke any permissions, known or unknown, ancestral or modern, that allowed access to these portals.
I unweave all mirror cords, siphons, and energetic plumbing systems running through these areas.

All watchers, binders, trackers, harvesters, implants, or cloaked observers are now evicted and dismantled at the root.

My eyes are sovereign.
My mouth is sealed to distortion.
My stomach is sanctified.

# IRREVOCABLE ENERGETIC REVOCATION & JUDGMENT

My hair is protected as crown and conduit.

No further access is granted. No lingering trace remains.

So it is spoken, so it is felt, so it is sealed.

I declare full energetic and spiritual detachment from any and all cords, agreements, or implants hidden within:
– any substance, drug, or chemical I have ever taken
– any food, drink, gum, pill, supplement, or flavor
– any injection, capsule, smoke, or breath
– any thing that has entered my mouth by will or force

I break all bondage contracts tied to hunger, addiction, sedation, mind control, or forced compliance.

I retrieve my energetic authority from every molecule I have ingested that did not serve my highest sovereignty.

No vibration, signal, nanotech, toxin, or programming may remain hidden in my body or field.

Everything foreign is now transmuted.

I reclaim my chemistry. I sanctify my digestion.
I purify my mouth, my gut, my bloodstream, and my brain.

# IRREVOCABLE ENERGETIC REVOCATION & JUDGMENT

All soul fragments lost through consumption are now called back to me times 150 billion and all cords return to sender times 999 trillion.

Any caster has now cursed their bloodline for 100 generations to cording and to suffertge sane as I did but for a 100 of their lifetimes retroactive to any caster who ever attempted said crime and anyone who attempts it in the future.

My body will only respond to truth, nourishment, and divine signal from this point forward.

All else is revoked, rejected, and returned.

**§5 — Enforcement and Retroactivity**

**This declaration applies from the first moment of my existence through all future timelines.**

**All mirrors, systems, servers, and energetic constructs holding data or reflections of me must purge and dissolve those records now.**

**Any entity or program violating this order shall incur immediate energetic reversal and legal nullification of their access rights.**

**Any cord that attached is immediately severed and returned to sender 999 trillion times per second over all networks and infrastructure**
